

IACUC # 24-167: Personnel Only Summary

Protocol Title	Collaborative Research: Diverse selective pressure on fruit chemical traits from mutualists and antagonists as a major driver of chemical evolution at the whole plant level																
Dept.	BIOL (Biological Sciences)																
PI	Susan Whitehead [srwhiteh] (swhitehead@vt.edu)																
Protocol Type / Status	Research Protocol / Active																
Flags	<table> <tr><td>AWA?</td><td>No</td></tr> <tr><td>VA?</td><td>No</td></tr> <tr><td>Shared Files?</td><td>Yes</td></tr> <tr><td>Isoflurane?</td><td>Yes</td></tr> <tr><td>DoD?</td><td>No</td></tr> <tr><td>PHS funds?</td><td>Yes</td></tr> <tr><td>AAALAC?</td><td>No</td></tr> <tr><td>Agreements?</td><td>Yes</td></tr> </table>	AWA?	No	VA?	No	Shared Files?	Yes	Isoflurane?	Yes	DoD?	No	PHS funds?	Yes	AAALAC?	No	Agreements?	Yes
AWA?	No																
VA?	No																
Shared Files?	Yes																
Isoflurane?	Yes																
DoD?	No																
PHS funds?	Yes																
AAALAC?	No																
Agreements?	Yes																
Expiration Date	Aug 27, 2027																
Protocol Link(s)	Previous IACUC #20-107 (BIOL) Expiration: Sep 9, 2023																
Protocol Created By	Susan Whitehead [srwhiteh] on Jul 13, 2024																
Personnel Change Application Created By	Becky Burns [beckyb4] on Feb 28, 2025																

Modified Personnel

Name	Dept. or Institution	Compliance Assurance?	Training?	Role	Date Modified
Detail(s)					
Morgan Haymaker (morganhaymaker@vt.edu)	Biological Sciences	N/A	 (details)	Non-animal work personnel	May 27, 2025
Education/Training [required] (include subject of degree)		Procedures Performed in Study [required]	Years Experience w/ Procedures / Species [required] (for each)		
Bachelor's degree in biology from Oregon State University		study coordination	N/A		
Argelis Sanchez (argelisaneth@gmail.com)	[VT-GUEST]	N/A	 (details)	Co-Investigator	May 27, 2025
Education/Training [required] (include subject of degree)		Procedures Performed in Study [required]	Years Experience w/ Procedures / Species [required] (for each)		
Universidad de Panama Profesorado in Education		bat capture, flight cage experiments	3 years		
melissa lopez (melissa_dclg@hotmail.com)	[VT-GUEST]	N/A	 (details)	Co-Investigator	May 27, 2025
Education/Training [required] (include subject of degree)		Procedures Performed in Study [required]	Years Experience w/ Procedures / Species [required] (for each)		
Universidad de Panamá Licenciatura in Biology/Zoology		bat capture, flight cage experiments	3 years		

Training Instructions

The following training instructions have been entered for the new personnel:

→ Any procedures that the personnel are not trained in will be trained by first observing the procedure a minimum of three times or until comfortable, then performing the procedure a minimum of three times or until the trainer feels the trainee is competent to perform the procedure unsupervised.
